Let us show you how to get the most from six fantastic new August—December Mini Catalogue product bundles.

Join us each week for seven fun, hands on projects based on a new product bundle or suite – one fun project revealed and instructed LIVE each day on an interactive Facebook Live event. Printable instructions and measurements included each week.

**GET FREE ACCESS** to each week’s exclusive online event by purchasing the product bundle that goes with that week (*or an equivalent value order*) from either Kevin (Canadian Customers) or Tony (US Customers) – OR – buy the LIGHT version access to each week’s online event for just \$20. Choose the weeks and bundles that suit your taste and budget, then tune in and have your supplies ready to follow along and craft.

**BONUS WEEK:** If you purchase all 6 weeks - either bundles (equivalent order) or light versions, you will get free access to our very special seventh week of “Simple Stamping” crafting using just paper, ink and stamps.
